

The Sheridan Lacrosse Club, a Nonprofit 501(c)(3) volunteer organization, was established in 2022 to advance the sport of lacrosse in Northern Wyoming and offer competitive play to our boys and girls athletes. The Mavericks, our local lacrosse club, offers high school and 12U/14U club travel team opportunities. At the high school level, lacrosse is not currently sanctioned by the Wyoming High School Activities Association and therefore receives no funding.

Being a newly created club, the start-up costs are high and the operating costs are plentiful. At the same time, we strive to keep the athlete entry costs low(er) to make the sport available to all players. We are in the process of securing a designated field and facility to host our team practices and local tournaments. Funding is needed to prepare and maintain a stable field playing surface, to upgrade the scoreboard and stadium lights, as well as to upkeep the general facility. Our operating costs include travel field rentals, referee fees, player protective gear, equipment, and/or uniforms to name a few.

We are seeking a mutually beneficial partnership that will allow the club to achieve our goals of offsetting costs and promote Corporate commitment to supporting youth sports in the community. Thanks to donors like you, we are creating more opportunities for student athletes to thrive in our community.
